## **GUIDANCE FOR PEOPLE ENTERING SCOTLAND FROM OUTSIDE THE UK DURING THE CORONAVIRUS PANDEMIC**

From Monday 8 June 2020, residents and visitors entering the UK are subject to new measures due to coronavirus (COVID-19).

Under the new legislation, everyone arriving in the UK must:

- provide journey and contact details, and the address where they will be staying in the UK
- self-isolate for the first 14 days they are in the UK – this means they cannot leave the place where they are staying
- 

These measures apply across the UK, with some minor differences in how they are implemented in Scotland, England, Wales and Northern Ireland.

If your final destination in the UK is Scotland, you will be expected to follow the Scottish guidance. These rules also apply to people who live in Scotland and are returning from out with the UK.
