APPRENTICESHIP EMPLOYER GRANT

A new Apprenticeship Employer Grant is now available to further support employers when taking on Modern or Graduate Apprentices within their business.

- £5,000 will be made available for employers taking on a 16 to 24-year old apprentice, and for those aged up to 29 years who are either disabled, care leavers or Black and Minority Ethnic.
- There will be £3,500 made available for employers taking on an apprentice aged 25 or over

The Employer Grant Funding will be available for eligible employers where the apprenticeship start date was on or after 1st December 2020. Funding will be available for starts until 25th March 2021 or until funding levels are exceeded, whichever comes first.

More information and application details on the Apprenticeship Employer Grant will be available from early January 2021.
