CORONAVIRUS: LOCAL AUTHORITY DISCRETIONARY FUND

The Local authority discretionary fund is a £120 million fund that will be distributed by local authorities (local councils) across Scotland. It will help with the short-term financial challenges being experienced by businesses.

Eligibility

Eligibility for this fund is determined by local authorities, please check your local authority website.

This is for businesses in Scotland who have not been eligible for previous business support grants.

If your business is still being adversely impacted by Tier 4 restrictions (and you have not received any support), you are eligible to apply.
